

Franklyn Sugar

Franklyn Sugar 2006 (Furst Heinrich x Acord II) is a modern, elegant and versatile young stallion with all the attributes needed in the competitive sport horse world. With exceptional conformation, superb front and a fantastic uphill frame. He has an exceptional trainable temperament to match his world class bloodlines.

With huge success in the national and international young horse classes he's now training at PSG. A true modern sports horse with star appeal. His pedigree is highly sought after, combining the world champion Furst Heinrich and with the equally impressive St. Pr. Drosselklang dam line.

His impressive ability to sit and collect and trainability will ensure his journey to Grand Prix. He also shows fantastic athleticism and boldness over a fence, and a great turn of speed showing his promise to breed event horses as well as dressage. He is stamping his foals with his refined and beautiful head and athleticism, showing true promise with super movement, kind temperaments and trainability. Frankly sugar is a horse with an exciting future. He epitomises modern sports horse breeding.

Franklyn Sugar AES

(Furst Heinrich x Acord II x Drosselklang II) is licensed with the BWBS and available through Stallion AI Services at Twemlows Hall. Fresh, chilled and frozen semen available, please ring to discuss your requirements.

Concessions given to proven mares.

'Franklyn Sugar', by the World Champion Young Dressage Horse, 'Furst Heinrich'; Awarded a Premium Stallion at his licensing, he then went to become Champion of his performance testing Munster-Handorf. As a five-year-old in 2003, he was crowned World Dressage Champion. In his short breeding career, he has produced well over 40 licensed stallions, including many Premium Stallions, Champions and Reserve Champions. The impressive list of state Premium Mares sired by Furst Heinrich is further evidence of the quality being produced.

"Most notable achievement of his progeny is the stunning world champion dressage horse Woodlander Farouche".

On the mother line Franklyn Sugar has a superb jumping blood from an Acord II (St PR Mare, Aileen, she is a prolific producer of successful sports horses e.g. BD champion broodmare and champion warmblood at royal show plus many more).

Franklyn Sugar was licensed in October 2010.

The german panel of judges at the BWBS grading were particularly impressed with his loose, elastic movement, and his scopey jump; this combined with a superbly mature

temperament make him a very desirable sire. This is a really special young stallion with consistent wins and each level he progresses to. Franklyn is a true modern sports horse stallion with the star appeal teamed with all the important trainability factor. He has that rare mix of presence and performance and looks to be an exciting sire for the future. He has all the physical, mental, hereditary and genetic attributes required to ensure a successful career as a sire and serious competitor. Franklyn is British bred and can be viewed in Cheshire.
